NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF SHORELINE, WASHINGTON AS FOLLOWS:

Section 1. Current Purpose and Need. The City Council hereby finds that the best interests of the inhabitants of the City require the City (acting through its assumed powers of the District) to submit to the qualified voters of the City/District, at a general election to be held on November 6, 2018, a proposition authorizing the imposition of a sales and use tax in the amount of two-tenths of one percent (0.2%) pursuant to RCW 36.73.040(3)(a), 36.73.065(1) and 82.14.0455 for the purpose of providing revenue necessary to finance the transportation improvement projects described in Section 2 of this resolution (“Projects”).

Section 2. Description of Transportation Improvement Projects. The revenues from a sales and use tax will be dedicated for the repayment of indebtedness issued from time to time in one or more series to finance the following Projects:

- The construction, maintenance, rehabilitation, repair and/or preservation of sidewalks and pedestrian improvements in the City in order to improve pedestrian access and safety and/or the extension of the condition and life cycle of the City's sidewalk pedestrian system. The sidewalks to be constructed, maintained, rehabilitated, repaired and/or preserved include, as identified in the City's Sidewalk Prioritization Plan and related Prioritization Matrix:

- The construction, maintenance, rehabilitation, repair and/or preservation of other sidewalks in the City, including those identified in the Sidewalk Prioritization Plan and related Prioritization Matrix (as it may be amended, supplemented, and restated from time to time), and to provide for related pedestrian improvements as set out in the City's American with Disabilities Act Transition Plan through the City's annual budget.

The cost of all necessary design, engineering, financial, legal and other consulting services, inspection and testing, administrative and relocation expenses, and other costs incurred in connection with the foregoing Projects shall be deemed a part of the costs of the Projects.

The City Council shall determine the application of moneys available for the Projects so as to accomplish, as nearly as may be practical, all of the Projects. In the event that the proceeds of sales and use taxes authorized herein, plus any other money of the City legally available therefore, are insufficient to accomplish all of the Projects, the City Council shall use the available funds for paying the cost of those portions of the Projects deemed by the City Council most necessary and in the best interests of the City.

The City Council shall determine the exact locations and specifications for the elements of the Projects as well as the timing, order, and manner of implementing or completing the Projects. The City Council may alter, make substitutions to, and amend the Projects as it determines is in the best interests of the City consistent with the general descriptions provided above.

If the City Council shall determine that it has become impractical to acquire, construct, or implement all or any portion of the Projects by reason of changed conditions, incompatible

development, costs substantially in excess of the amount of sales and use tax proceeds estimated to be available, or acquisition by a superior governmental authority, the City Council shall not be required to acquire, construct, or implement such portions. If all of the Projects have been acquired, constructed, implemented or duly provided for, or found to be impractical, the City Council may apply the sales and use tax proceeds (including earnings thereon) or any portion thereof to other pedestrian improvements then identified in the Transportation Improvement Plan adopted by the Council, as it may be amended, supplemented, and restated from time to time.

Section 3. Sales and Use Tax. If approved by a majority of voters voting at the election, the City Council for the City shall fix and impose a sales and use tax as authorized by RCW 36.73.040(3)(a) and RCW 82.14.0455 upon taxable events at the rate of two-tenths of one percent (0.2%) of the selling price (in the case of sales tax) and the value of the article used (in the case of the use tax). Revenues of the sales and use tax shall be dedicated for the repayment of indebtedness issued from time to time in one or more series to pay for costs of the Projects described in Section 2 of this resolution. The sales and use tax shall be imposed for a period not exceeding twenty (20) years. The tax shall be in addition to any other taxes authorized by law and shall be collected from those persons who are taxable by the state under chapter 82.08 and 82.12 RCW, as amended, upon the occurrence of any taxable event within the boundaries of the City. The City Council may reduce the amount of the sales and use tax in the manner provided by law.

Section 4. Findings of Fact.

1. The District was permitted to place a ballot measure before the voters and, upon receipt of voter approval, is so authorized pursuant to RCW 36.73.040(3)(a) to impose a sales and use tax in accordance with RCW 82.14.0455.
2. The provisions of Ordinance No. 550 adequately state the purpose and need for the District in the City.
3. Pursuant to Ordinance No. 726, the City assumed the rights, powers, immunities, functions and obligations of the District, as allowed by Second Engrossed Substitute Senate Bill 5987, Section 302 (July 15, 2015), and as a result, the District was absorbed into the City and is no longer considered a legally separate entity.
4. The City, acting through its assumed powers, will now place a ballot measure before the voters pursuant to RCW 36.73.040(3)(a) to impose a sales and use tax in accordance with RCW 82.14.0455.

Section 5. Ballot Measure. The Director of Elections of King County, Washington (the “Director”), as ex officio supervisor of elections in King County, Washington, is hereby requested to call and conduct an election in the City to be held on November 6, 2018, for the purpose of submitting to the qualified electors of the City for their approval or rejection, a proposition in accordance with state law and in substantially the following form:

Section 6. Voters' Pamphlet. The Council finds and declares it to be in the best interests of the City to have information regarding the aforesaid proposition included in local voters' pamphlets, and authorizes the appropriate costs thereof to be charged to and paid by the City, and further authorizes and directs the City Attorney and City Clerk to provide such information to the Director and to take such other actions as may be necessary or appropriate to that end.

Section 7. Severability. If any provision of this resolution shall be declared by any court of competent jurisdiction to be invalid, then such provision shall be null and void and shall be separable from the remaining provisions and shall in no way affect the validity of the other provisions, or of the imposition or collection of the tax authorized herein.

ADOPTED BY THE CITY COUNCIL ON JULY 30, 2018.
