ADOPT-A-ROAD PROGRAM

Adopt-A-Road Program

The City of Shoreline Adopt-A-Road Program brings community groups or individuals into a partnership with the city to create community pride and ensure Shoreline continues to maintain clean streets. Please consider joining our program.

Program Basics

To participate in Adopt-A-Road, the volunteer group or individual commits to:

- Provide litter pick up on one to two miles of road.
- Perform cleanups at least four times per year for two years.
- Provide a group leader who will schedule the cleanups, ensure the safety rules are followed and report back to the city on the hours volunteered.
- Pick up and return safety equipment to Hamlin Maintenance Yard.
- Arrange for garbage disposal by the city by either returning bagged garbage to Hamlin Maintenance Yard or arranging for city crews to pick up.

To recognize the time and efforts of the individual or group volunteer, the City of Shoreline commits to:

- Dispose of garbage collected on the Adopt-A-Road cleanups.
- Provide two Adopt-A-Road signs, one at each end of the adopted section of road with the group or individual's name (optional).
- Provide safety equipment for cleanups.
