

# ADA TRANSITION PLAN – PUBLIC OPEN HOUSE

The City is underway to developing its Transition Plan. This Transition Plan required by the Americans with Disabilities Act (ADA) of 1990 is intended to guide the City's efforts to provide an accessible pedestrian infrastructure system within the road right-of-way. The purpose of the Transition Plan is to identify deficiencies in City policies, procedures, and physical assets, and to provide a path to correction of those deficiencies.

The pedestrian infrastructure assets that are addressed in this Transition Plan are:

Curb Ramps
Sidewalks
Pedestrian Signals
Driveways
Crossings
