---

Since I submitted the original Comp Plan amendment for the Point Wells Subarea but will not be able to attend the Council meeting this evening, I wanted to let you all know that I support the changes suggested by Tom McCormick and also support the recommendations of City staff and the Planning Commission.

Thank you,

Debbie,

For Council's consideration at tonight's meeting, the attached document contains a few corrections (marked in red) to the Point Wells subarea plan, as it is proposed to be revised by Annual Docket Amendment #6 to the Shoreline Comprehensive Plan. For reasons stated in the attached document, I ask that Council incorporate the corrections.

Thank you.
