6. 2019-2020 Biennial budget
7. Dear councilors, I urge your support for the \$26,000 budget item for homeless services. These include Winter Shelter provided through Lake City Partners Ending Homelessness, which in Shoreline is provided at Prince of Peace Lutheran Church in Briarcrest, where I serve as pastor; and Shoreline Housing Outreach, also provided by Lake City Partners, through an office that is located at Prince of Peace Lutheran Church. The Housing Outreach worker, Stanley Machokoto, has been working since last March to help people who are living on the streets to find housing, apply for leases, and pay first-month and damage deposits with funds from a variety of nonprofits, including the United Way. Your biennial budget enables us to carry out essential person-to-person services to ease the crisis of homelessness here in Shoreline.

Thank you,
City of Shoreline
