RE: Documents received at 12/03/18 Council Meeting

CC: Debbie Tarry, City Manager
John Norris, Assistant City Manager

Attached hereto are documents received from the public at your December 3, 2018 City Council Regular Meeting.

- 1) Photographs and written comment regarding the bathroom facilities at Echo Lake Park, submitted by John Osborne.

Dear voters, before you cast your ballot for these incumbents on the Shoreline City Council, please see how they let their park department neglect the most basic city functions at the toilet facilities at Echo Lake Park, photos from December 2018. I wish this was an unusual event, but it seems to represent what they think of all voters.
