TO: Debbie Tarry, Interim City Manager
Mark Relph, Public Works Director *MR*

FROM: John Vicente, Capital Projects Manager *JV*

VIA: Tricia Juhnke, City Engineer *TJ*
Iain Draper, Engineering Manager *ID*

RE: Certification Approval Authority

Because of the reorganizational changes made to the Public Works Department, we need to update our Certification Acceptance (CA) agreement with WSDOT and the approval authorities for the City with regards to federally funded project and the Washington State Department of Transportation (WSDOT).

For federally funded projects, and to maintain our Certification Acceptance status, only certain individuals are authorized to approve and/or sign specific documents related to such projects.

Please find attached the CA agreement and the revised delegation of authority memo for your signature/initials.

Memorandum

DATE: November 12, 2013

TO: File

FROM: Debbie Tarry, Interim City Manager
Mark Relph, Public Works Director

Mr. Mark Relph, PE
Public Works Director
City of Shoreline
17544 N. Midvale Ave.
Shoreline, WA 98133-4921

Re: City of Shoreline Revised Certification Acceptance Agreement

Dear Mr. Relph:

We appreciate your efforts in keeping this Certification Acceptance (CA) document current, as it is important to your CA program.

Enclosed for your information and files is a copy of the revised City of Shoreline's "Certification Acceptance Agreement" which I approved and signed on December 11, 2013.

Sincerely,

A handwritten signature in blue ink that reads "Kathleen B. Davis".

Position Title Only
b. The local agency agreement will be reviewed and approved by the following official or officials.
City Manager or Public Works Director
Position Title or Titles Only
c. The designs and environmental documents will be reviewed and approved by the following state of Washington registered Professional Civil Engineer.
City Engineer
Position Title Only
d. The hearing's findings (if required) will be reviewed and approved by the following official or officials.
Public Works Director
Position Title or Titles Only
e. The contract plans, specifications, and estimate of cost will be reviewed and approved by the following state of Washington registered Professional Engineer.
City Engineer
Position Title or Titles Only
f. Agreements will be signed by the following responsible local official:
(1) Railroad City Manager or designee
Position Title Only
(2) Utility City Manager or designee
Position Title Only
(3) Consultant City Manager or designee
Position Title Only
(4) Technical Services City Manager or designee
Position Title Only
g. The award of contract will be signed by the following responsible local official.
Public Works Director or designee
Position Title Only
h. All projects will be constructed in conformance with the Washington State Department of Transportation/ American Public Works Association (WSDOT/APWA) current Standard Specifications for Road, Bridge, and Municipal Construction and such specifications that modify these specifications as appropriate. Multimodal enhancement projects shall be constructed in conformance with applicable state and local codes.

i. The contract administration will be supervised by the following state of Washington registered Professional Civil Engineer.

City Engineer or designee

Position Title Only

j. Construction administration and material sampling and testing will be accomplished in accordance with the *Local Agency Guidelines*.

3. The agency agrees that they have the means to provide adequate expertise and will have support staff available to perform the functions being subdelegated. The support staff may include consultant or state services.
4. The agency agrees that the signature on each project prospectus and local agency agreement will be consistent with section 2 above.
5. All projects under Certification Acceptance shall be available for review by the FHWA and the State at any time and all project documents shall be retained and available for inspection during the plan development and construction stages and for a three year period following acceptance of the project by WSDOT.
6. Approval of the local agency certification by the Director of Highways and Local Programs may be rescinded at any time upon local agency request or if, in the opinion of the Director of Highways and Local Programs, it is necessary to do so. The rescission may be applied to all or part of the programs or projects approved in the local agency certification.
