A majority of the resident attendees of the neighborhood meeting held by the applicant on January 23, 2019 are providing these comments and clarifications in this summary based on our account of the meeting because the Applicant provided "Neighborhood Meeting Summary inaccurately summarizes the meeting and outright omits comments and concerns stated at the meeting and the severity of those concerns. The outline of this summary is based on the specific requirements for neighborhood meetings and the specific requirements for the meeting summary as outlined in Shoreline Municipal Code (SMC) 20.30.090 (Neighborhood Meeting).
