Hi Carla,

I'm Bill Phelan, CEO & Co-Founder of College Factual.

I'm writing one more time to let you know Shoreline has been ranked a top place to live for student-athletes who compete in Women's Softball.

Local colleges have been ranked extremely well for their Women's Softball programs because the students do well both athletically and academically. In other words, Shoreline is a great location for women who want to play sports and get a world-class education.
