

## MEMORANDUM

TO: Mayor Hall and City Councilmembers

FROM: Jessica Simulcik Smith, City Clerk

DATE: April 16, 2019

RE: Document received at 04/15/2019 Council Meeting

CC: Debbie Tarry, City Manager  
John Norris, Assistant City Manager

---

Attached hereto is a document received from the public at your April 15, 2019 City Council Regular Meeting.

- 1) Written comment from Mark Rettmann regarding a proposed rezoning request (1 page).

4-15-2019

My name is Mark Rettmann, and I live on NE 170th St, Shoreline, WA. I am part of the Save Shoreline Neighborhoods Group which is comprised of over 200 Shoreline residents and voters opposed to the rezone of 1510 and 1517 NE 170th St. Our group represents the community's will and desire not to permanently rezone these residential lots to business lots, for Irons Brothers or any company. We urge you to remove this amendment/rezone proposal from the Docket and vote no on this proposal.

Washington state law, as codified in the Revised Code of Washington (or RCW) 42.23 for "Code of Ethics for Municipal Officers", RCW 42.52 for "Ethics in Public Service", and the City of Shoreline Code of Ethics adopted by Council Resolution No. 170, all detail ethics for public service and define conflicts of interest and gifts. We respectfully request that Councilmember McGlashan recuse himself from voting on this proposal as he has an obvious conflict of interest with Irons Brothers Construction as he has received political campaign contributions from Irons Brothers Construction based on the campaign finance report from the Washington State's Public Disclosure Commission (PDC). We do not believe an impartial decision can be made based on this conflict of interest. Councilmember McGlashan, please do the ethical and legal thing, and recuse yourself from this vote.

Thank you
