Hi Taylor,

I connected with Shoreline today on status of the contribution request. As Metro is comfortable with a \$100k partner contribution, we will prepare a formal written response by end of week.

Thanks,

Subject: Cost Share of Pedestrian Bridge at 185th

Hi Elizabeth, Paul, and Steve

Thanks for all your time in reviewing our work at the 185th Station and coordinating the closures of the Park and Rides, Flyer Stops, and Bus Ramps. I want to follow up with you and your team on our request for Shoreline, CT, and Metro to contribute to the cost of the pedestrian bridge at the 185th station. Have you come a decision? If so, or if you'd like to discuss this with me over the phone or in person, let me know and I get work to get a meeting scheduled.

Have a good weekend,
Taylor
