Hi Tricia,

Attached is the signed Letter of Concurrence for the Street Ends and Balance Sheets with an updated exhibit. During conversations about the SUP Staff Report, ST staff in coordination with City staff identified a few errors on the balance sheet. They've agreed upon edits to make it consistent with the SUP Staff Report. With your confirmation of this email, we agree that the attached Letter of Concurrence and exhibit is now the version that we will reference in the future on this issue.

Thank you,
John
