

Construction Coming Soon

Meridian Ave N & N 155th Street Intersection Phase Changes

The City of Shoreline is starting construction this summer to provide improvements at the intersection of Meridian Ave N and N 155th Street. **You have been sent this postcard because you live near the intersection where construction activities will occur.** Residents near the project work site should expect:

- Construction work over multiple days, primarily limited to Monday-Friday between 7am and 6pm.
- Traffic adjacent to the work area may include lane shifts, reductions or closures with flaggers.
- Access to nearby houses will be maintained.
- Temporary loss of on-street parking may occur adjacent to work areas on construction days.
- Mailboxes within the work area may be temporarily relocated to allow for construction, but will be replaced at the existing location to match existing condition or better. Mail service will continue uninterrupted.

Primary construction activities are tentatively scheduled to begin the first week of June.

If you have any questions, please contact Project Manager Lea Bonebrake by phone at (206) 801-2475 or email at lbonebrake@shorelinewa.gov

For current schedule and project information, see the City of Shoreline website <http://shorelinewa.gov>
Type "phase changes" in search box at top right; project webpage is the top result.
