

Construction alert

Rolling slowdowns planned of I-5 in both directions Tuesday night

Overnight drivers should be aware of upcoming rolling slowdowns on Interstate 5 in Shoreline. In support of the Lynnwood Link Extension, Seattle City Light crews will relocate existing overhead power lines on I-5 near Northeast 155th Street beginning Tuesday night, July 30.

To complete this work safely, crews must intermittently conduct rolling slowdowns of traffic in both directions of I-5 to ensure safe work operations and passage for motorists. Crews will intercept and escort traffic at slow speeds for up to 15 minutes between 44th Avenue West, Lynnwood, and Northeast 70th Street, Seattle. Traffic will return to normal speeds once past the work area. Please see map for additional details.
