RE: Shoreline Emergency Management Interlocal

Attached for your signature are signed originals of the Shoreline Emergency Management Interlocal ("Interlocal"). City of Shoreline staff is directed to review the Interlocal annually for needed improvements or revisions. The City Manager is authorized to execute minor revisions to the Interlocal which do not alter any material term. *Ordinance No. 328*. City staff completed the annual review of the Interlocal and made the minor changes outlined below. Since the minor changes do not alter any material term, the City Manager can approve the Interlocal without additional review by Council and/or subscribing organizations to the Interlocal.

The following changes were made to the Interlocal:

1. Consistency of language:
 - a. "Shoreline Emergency Management Interlocal" referred to as "Agreement" throughout.
 - b. "The" is removed before the terms "Lender" and "Borrower."
2. Correction of grammatical and capitalization errors.
3. Consolidation of two dispute resolutions sections. The substantive language of the two sections were not changed; the sections were simply combined since they were duplicative.
4. Addition of an information block in the Interlocal designating the emergency contact points, and providing their telephone number and email. The Interlocal already required the identification of emergency contact points; the information block just gives the opportunity to provide the contact points within the Interlocal itself.
5. Addition of the word "employee(s)" to the following sentence:

"Borrower shall not be liable for damages caused by sole negligence of Lender's employee(s) and/or operators"

Shoreline Emergency Management Interlocal Agreement

Receiving
Number
2960

This Interlocal Agreement, hereinafter referred to as the "Agreement," is made and entered into by public and private organizations within or neighboring the corporate limits of the City of Shoreline, Washington. This Agreement endeavors to provide a timely emergency response and recovery through cooperation, coordination and sharing of resources and expertise during an emergency.

Whereas, the protection of life, property and natural resources are critical to the successful response, recovery and mitigation of any natural or human caused emergency.

Whereas, subscribers have expressed mutual interest in establishing a local agreement that facilitates and encourages sharing of equipment, supplies, personnel and facilities during an emergency.

Whereas, subscribers have traditionally assisted each other in times of emergencies, based on goodwill, without any formal basis or agreement.

Whereas, subscribers have expressed an interest in ensuring that local resources are made available to meet local needs in an emergency before being made available to the other sub-regional, regional or state needs under the terms of the Regional Disaster Plan for Public and Private Organizations in King County.

Whereas, subscribers have expressed an interest in participating in the Regional Disaster Plan for Public and Private Organizations in King County.

Whereas, subscribers have developed and maintained an emergency operations plan that guides the reporting, response, recovery and mitigation to an emergency related to their operations and responsibilities.

Whereas, RCW 38.52.070 provides the City of Shoreline with broad emergency authority to coordinate response, recovery and mitigation activities within the City of Shoreline to protect life and property.

Whereas, subscribers have expressed a mutual interest to cooperatively develop plans, policies and procedures to provide a timely, orderly and effective response to an emergency in a proactive manner.

Now, therefore, the subscribers agree to coordinate the timely and effective sharing of local resources during times of an emergency as defined in this Agreement.

Article I – Applicability

This Agreement is available for all public, non-profit and private organizations within or neighboring the City of Shoreline, Washington. Execution will occur when an organization signs an identical version of this Agreement and transmits an original signed copy to the City Clerk.

The Agreement is activated when the City's Emergency Operations Center is activated. The City's Emergency Operations Center is activated by the direction of the City Manager or designee, based on anticipated or present events that require the coordination of resources to

provide an effective response and recovery to protect human life, property or natural resources. Subscribers may request activation of the Emergency Operations Center by communicating with the City Manager or designee.

Article II – Definitions

“Assistance Costs” means any labor, material and equipment costs that are incurred by Lender (as defined below) in providing any asset, service or assistance requested. For further information on costs, see Section XII.

“Borrower” means a Subscribing Organization which has adopted, signed and subscribed to this Agreement and has made a request for Emergency Assistance and has received commitment(s) to deliver Emergency Assistance pursuant to the terms of this Agreement.

“Emergency” includes, but is not limited to, a human-caused or natural event or circumstance, within the area of operation of any participating organization, causing or threatening loss of life, damage to natural resources, injury to person or property, human suffering or financial loss, such as: fire, explosion, flood, severe weather, drought, earthquake, volcanic activity, spills or releases of hazardous materials, contamination, utility or transportation emergencies, disease, infestation, civil disturbance, riots, acts of terrorism or sabotage; said event being or is likely to be beyond the capacity of the affected Subscribing Organization or Organizations, in terms of personnel, equipment, materials, supplies or facilities, thereby requiring Emergency Assistance.

“Emergency Assistance” means the availability of employees, services, equipment, materials or supplies offered during an Emergency by Lender and accepted by Borrower to assist in maintaining or restoring normal services when such services have been disrupted in an emergency where coordination and facilitating resource sharing with other Subscribing Organizations is necessary or advisable, as determined by the requesting organization.

“Emergency Contact Points” are the persons, in a line of succession, listed on the Emergency Contact Information Form to be submitted to the King County Regional Disaster Plan Zone 1 Emergency Planning Committee by each Subscribing Organization. The people listed as Emergency Contact Points will have (or can quickly get) the authority of the Subscribing Organization to commit the subscriber’s available equipment, services and personnel for the organization. Each subscriber shall provide the phone number of a dispatch office staffed 24 hours a day that is capable of contacting the Emergency Contact Point(s).

Article III – Participation

No Subscribing Organization shall be liable to another Subscribing Organization for, or be considered to be in breach of or default, under this Agreement on account of any delay in or failure to perform any obligation under this Agreement, except to make payment as specified in this Agreement. Subscribing Organizations that execute this Agreement are expected to:

- Ensure that other Subscribing Organizations have the most current Emergency Contact Points, which will be reviewed and confirmed annually.
- Provide an updated resource list to the Emergency Management Council on an annual basis, unless an automated information system accessible to all subscribers is updated on a more frequent basis.

Article V - Term of Interlocal Agreement and Termination

This Agreement is effective upon execution by two or more Subscribing Organizations. A Subscribing Organization opting to terminate its participation in this Agreement shall provide a written notice of termination 180 days in advance of the termination date by notification to the City Manager, City of Shoreline, 17544 Midvale Avenue N., Shoreline, Washington 98133.

The City Manager shall notify the Emergency Management Council of the termination date and Organization name. The Emergency Management Council shall notify all Subscribing Organizations of the termination. Any terminating Subscribing Organization shall remain liable for all obligations incurred during its period of participation, until the obligation is satisfied.

Article VI - Payment for Services and Assistance

Borrower shall pay to Lender all valid and invoiced Assistance Costs within 90 days of receipt of Lender's invoice, for either all or part of the Emergency Assistance services provided by Lender. In the event Lender provides supplies or parts, Lender shall have the option to accept payment of cash or payment in kind for the supplies or parts provided. Invoices shall clearly state the event, general location where services or assistance is provided, resources utilized, hours of service or assistance and the rate.

Article VII - Independent Contractor and/or Agency

Lender shall be and operate as an independent contractor of Borrower in the performance of any Emergency Assistance. Employees of Lender shall at all times, while performing Emergency Assistance, continue to be employees of Lender and shall not be deemed employees of Borrower for any purpose. Wages, hours and other terms and conditions of employment of Lender shall remain applicable to all of its employees who perform Emergency Assistance. Lender shall be solely responsible for payment of its employees' wages, any required payroll taxes and any benefits or other compensation. Borrower shall not be responsible for paying any wages, benefits, taxes or other compensation directly to Lender's employees. The costs associated with borrowed personnel are subject to the reimbursement process outlined in Article XII. In no event shall Lender or its officers, employees, agents or representatives be authorized (or represent that they are authorized) to make any representation, enter into any agreement, waive any right or incur any obligation in the name of, on behalf of or as agent for Borrower under or by virtue of this Agreement.

Article VIII – Requests for Emergency Assistance

The Emergency Operations Center (EOC) will function using the Incident Command System to coordinate community emergencies.

Requests for Emergency Assistance shall be directed to the designated Emergency Contact Point(s) on the contact list provided by the Subscribing Organizations and/or directed to and managed by the Incident Commander. The extent to which Lender provides any Emergency Assistance shall be at Lender's sole discretion. In the event the emergency impacts a large geographical area that activates either federal or state emergency laws, this Agreement shall remain in effect until or unless this Agreement conflicts with such federal and state laws.

- During a community wide emergency resulting in an EOC activation, all resources available for sharing will be coordinated through the following hierarchy:
 - Owning Subscribing Organization has primary use and decides when a resource is not needed internally and can be made available for local sharing.
 - The Emergency Operations Center – Logistics Section will coordinate the availability and sharing of all local resources made available by Subscribing Organizations.
 - All requests for resources from outside the community must be coordinated with the Emergency Operations Center – Operations Section before ordering. This request shall include a description of the problem, an estimate of the resources needed to support, control and repair the problem, and the potential for damage should the problem not be fixed. This information will be updated as needed so that the Emergency Operations Center can make a valid assessment of the problem.

Article IX – General Nature of Emergency Assistance

Emergency Assistance will be in the form of resources, such as equipment, supplies and personnel, or the direct provision of services. The execution of this Agreement shall not create any duty to respond on the part of any Subscribing Organization hereto. A Subscribing Organization shall not be held liable for failing to provide Emergency Assistance. A Subscribing Organization has the absolute discretion to decline to provide any requested Emergency Assistance and, with proper notice, to withdraw resources it has provided at any time without incurring any liability. Resources are "borrowed" with reimbursement and terms of exchange varying with the type of resource as defined in Articles X through XII.

The Subscribing Organizations recognize that time is critical during an emergency and diligent efforts will be made to respond to a request for resources as rapidly as possible, including any notification(s) that requested resources are not available. Subscribing Organizations also recognize that resources on loan may not be immediately available for recall.

Article X – Loans of Equipment and Supplies / Costs and Rates

Use of equipment, such as construction equipment, road barricades, vehicles and tools, shall be at Lender's current equipment rate. When no current rates have been established, the hourly

operating costs will conform to an **industry standard publication** as selected by the Emergency Management Council or as mutually agreed between Borrower and Lender. Equipment and tool loans are subject to the following conditions:

At the option of Lender, loaned equipment may be loaned with an operator. See Article XII for terms and conditions applicable to use of borrowed personnel.

Loaned equipment shall be returned to Lender upon release by Borrower or immediately upon Borrower's receipt of an oral or written request from Lender for the return of the equipment. When notified to return the equipment to a Lender, Borrower shall make every effort to return the equipment to Lender's possession within 24 hours following notification.

Borrower shall, at its own expense, supply all fuel, lubrication and maintenance for loaned equipment. Borrower will take proper precaution in its operation, storage and maintenance of Lender's equipment. Equipment shall be used only by properly trained and supervised operators. Lender shall endeavor to provide equipment in good working order. All equipment is provided "as is," with no representations or warranties as to its fitness for particular purpose.

Lender's costs related to the transportation, handling and loading/unloading of equipment shall be chargeable to Borrower. Lender shall provide copies of invoices for such charges where provided by outside sources and shall provide hourly accounting of charges for Lender's employees who perform such services.

Without prejudice to a Lender's right to indemnification under Article XIV herein, in the event loaned equipment is lost or damaged while being dispatched to Borrower, or while in the custody and use of Borrower, or while being returned to Lender, Borrower shall reimburse Lender for the reasonable cost of repairing said damaged equipment. If the equipment cannot be repaired within a time period indicated by Lender, then Borrower shall reimburse Lender for the cost of replacing such equipment with equipment which is of equal condition and capability. Any determinations of what constitutes "equal condition and capability" shall be at the discretion of Lender. If Lender must lease or rent a piece of equipment while Lender's equipment is being repaired or replaced, Borrower shall reimburse Lender for such costs. Borrower shall have the right of subrogation for all claims against persons other than parties to this Agreement who may be responsible in whole or in part for damage to the equipment. Borrower shall not be liable for damage caused by the sole negligence of Lender's employee(s) and/or operator(s).

Article XI – Exchange of Materials and Supplies

Borrower shall reimburse Lender in kind or at Lender's actual replacement cost, plus handling charges, for use of partially consumed or non-returnable materials and supplies, as mutually agreed between Borrower and Lender. Other reusable materials and supplies which are returned to Lender in clean, damage-free condition shall not be charged to Borrower and no rental fee will be charged. Lender shall determine whether items returned are "clean and damage-free," and items shall be treated as partially consumed or non-returnable materials and supplies if items are found to be damaged.

Article XII – Loans of Personnel

Lender may, at its option, make such employees as are willing to participate available to Borrower at Borrower's expense equal to Lender's full cost, including employee's salary or hourly wages, callback or overtime costs, benefits and overhead, and consistent with Lender's personnel union contracts, if any, or other conditions of employment.

Costs to feed and house loaned personnel, if necessary, shall be chargeable to and paid by Borrower. Borrower is responsible for assuring such arrangements as may be necessary to provide for the safety, housing, meals and transportation to and from job sites/housing sites (if necessary) for loaned personnel.

The Subscribing Organizations' Emergency Contact Points or their designees shall develop planning details associated with being a Borrower or Lender under the terms of this Agreement. Lender personnel providing Emergency Assistance shall be under the control of their regular leaders, but the organizational units will come under the operational control of the command structure of Borrower.

Lender shall not be liable for cessation or slowdown of work if Lender employees decline or are reluctant to perform any assigned tasks if said employees judge such task to be unsafe. A request for loaned personnel to direct the activities of others during a particular response operation does not relieve Borrower of any responsibility or create any liability on the part of Lender for decisions and/or consequences of the response operation.

Loaned personnel may refuse to direct the activities of others without creating any liability on the part of Lender. Any valid licenses issued to Lender personnel by Lender or Lender's state, relating to the skills required for the emergency work, may be recognized by Borrower during the period of emergency and for purposes related to the emergency. When notified to return personnel to a Lender, Borrower shall make every effort to release the personnel to Lender immediately after notification.

Article XIII – Record Keeping

Time sheets and/or daily logs showing hours worked and equipment and materials used or provided by Lender will be recorded on a shift-by-shift basis by Lender and/or the loaned employee(s) and will be provided to Borrower as needed.

If no personnel are loaned, Lender will provide shipping records for materials and equipment, and Borrower is responsible for any required documentation of use of material and equipment for state or federal reimbursement. The documentation will be presented to the Administration/Finance Section of the Incident Management structure.

Under all circumstances, Borrower remains responsible for ensuring that the amount and quality of all documentation is adequate to enable disaster reimbursement.

Article XIV – Indemnification and Limitation of Liability

INDEMNIFICATION.

Except as provided below to the fullest extent permitted by applicable law, Borrower releases and shall indemnify, hold harmless and defend each Lender, its officers, employees and agents from and against any and all costs, including costs of defense, claims, judgments or awards of damages asserted or arising directly or indirectly from, on account of, or in connection with providing Emergency Assistance to Borrower arising before, during or after performance of the Emergency Assistance and whether suffered by any of the Subscribing Organizations or any other person or entity.

Borrower agrees that its obligation under this section extends to any claim, demand and/or cause of action brought by or on behalf of any of its employees or agents. For this purpose, Borrower, by mutual negotiation, hereby waives, as respects any indemnitee only, any immunity that would otherwise be available against such claims under the Industrial Insurance provisions of Title 51 RCW of the State of Washington and similar laws of other states.

ACTIVITIES IN BAD FAITH OR BEYOND SCOPE.

Any Subscribing Organization shall not be required under this Agreement to indemnify, hold harmless and defend any other Subscribing Organization from any claim, loss, harm, liability, damage, cost or expense caused by or resulting from the activities of any Subscribing Organization's officers, employee or agents acting in bad faith or performing activities beyond the scope of their duties.

LIABILITY FOR PARTICIPATION.

In the event of any liability, claim, demand, action or proceeding, of whatever kind or nature arising out of rendering of Emergency Assistance through this Agreement, Borrower agrees to indemnify, hold harmless and defend, to the fullest extent of the law, each Subscribing Organization to this Agreement, whose only involvement in the transaction or occurrence which is the subject of such claim, action, demand or other proceeding, is the execution and approval of this Agreement.

DELAY OR FAILURE TO RESPOND.

No Subscribing Organization shall be liable to another Subscribing Organization for, or be considered to be in breach of or default under, this Agreement on account of any delay in or failure to perform any obligation under this Agreement, except to make payment as specified in this Agreement.

SUBSCRIBING ORGANIZATION LITIGATION PROCEDURES.

Each Subscribing Organization seeking to be released, indemnified, held harmless or defended under this Article with respect to any claim shall promptly notify Borrower of such claim and

shall not settle such claim without the prior consent of Borrower, which consent shall not be unreasonably withheld. Such Subscribing Organization shall have the right to participate in the defense of said claim to the extent of its own interest. Subscribing Organization's personnel shall cooperate and participate in legal proceedings if so requested by Borrower and/or required by a court of competent jurisdiction.

Article XV – Subrogation

BORROWER'S WAIVER.

Borrower expressly waives any rights of subrogation against Lender which it may have on account of or in connection with Lender providing Emergency Assistance to Borrower under this Agreement.

LENDER'S RESERVATION AND WAIVER.

Lender expressly reserves its right to subrogation against Borrower to the extent Lender incurs any self-insured, self-insured retention or deductible loss. Lender expressly waives its rights to subrogation for all insured losses only to the extent Lender's insurance policies, then in force, permit such waiver.

Article XVI – Workers' Compensation and Employee Claims

Lender's employees, officers or agents made available to Borrower shall remain the general employee of Lender while engaged in carrying out duties, functions or activities pursuant to this Agreement, and each Subscribing Organization shall remain fully responsible as employer for all taxes, assessments, fees, premiums, wages, withholdings, workers' compensation and other direct and indirect compensation, benefits and related obligations with respect to its own employees. Likewise, each Subscribing Organization shall provide workers' compensation in compliance with statutory requirements.

Article XVII – Modifications

No provision of this Agreement may be modified, altered or rescinded by any individual Subscribing Organization without two-thirds affirmative concurrence of the Subscribing Organizations. The Emergency Management Council will be the coordinating body for facilitating modifications of this Agreement.

Article XVIII – Non-Exclusiveness and Other Agreements

This Agreement is not intended to be exclusive among the Subscribing Organizations. Any Subscribing Organization may enter into separate Emergency Assistance agreements with any other entity. No such separate agreement shall terminate any responsibility under the Agreement. To the extent that prior agreements between parties to this Agreement are inconsistent with this Agreement, all prior agreements for Emergency Assistance between the Subscribing Organizations hereto are hereby superseded.

Article XIX – Governmental Authority

This Agreement is subject to laws, rules, regulations, orders and other requirements, now or hereafter in effect, of all governmental authorities having jurisdiction over the emergencies covered by this Agreement, the Subscribing Organizations or either of them.

Article XX – No Dedication of Facilities or Assets

No undertaking by one Subscribing Organization to the other Subscribing Organizations under any provision of this Agreement shall constitute a dedication of the facilities or assets of such Subscribing Organization, or any portion thereof, to the public or to the other Subscribing Organization. Nothing in this Agreement shall be construed to give a Subscribing Organization any right of ownership, possession, use or control of the facilities or assets of the other Subscribing Organization.

Article XXI – Partnership

This Agreement shall not be interpreted or construed to create an association, joint venture or partnership among the Subscribing Organizations or to impose any partnership obligation or liability upon any Subscribing Organization. Further, no Subscribing Organization shall have any undertaking for or on behalf of, or to act as or be an agent or representative of, or to otherwise bind any other Subscribing Organization.

Article XXII – No Third-Party Beneficiary

Nothing in this Agreement shall be construed to create any rights in or duties to any Third Party, nor any liability to or standard of care with reference to any Third Party. This Agreement shall not confer any right or remedy upon any person other than the Subscribing Organizations. This Agreement shall not release or discharge any obligation or liability of any Third Party to any Subscribing Organization.

Article XXIII -- Entire Agreement

This Agreement constitutes the entire agreement and supersedes any and all prior agreements of the parties with respect to the subject matters hereof.

Article XXIV – Successors and Assignments

This Agreement is not transferable or assignable, in whole or in part, and any Subscribing Organization may terminate its participation in this Agreement subject to Article V.

Article XXV – Governing Law

This Agreement shall be interpreted, construed and enforced in accordance with the laws of Washington State.

Article XXVI – Dispute Resolution

Subscribing Organizations agree to make good faith efforts to resolve any disputes arising out of this Agreement through direct discussion. If a dispute cannot be settled through direct discussions, the parties agree to next attempt to resolve the dispute through mediation prior to commencing any legal action. Actions arising out of this Agreement shall be brought in King County.

Article XXVII – Tort Claims

It is not the intention of this Agreement to remove from any of the Subscribing Organizations any protection provided by any applicable Tort Claims Act. However, between Borrower and Lender, Borrower retains full liability to Lender for any claims brought against Lender as described in other provisions of this Agreement.

Article XXVIII – Waiver of Rights

Any waiver at any time by any Subscribing Organization of its rights with respect to a default under this Agreement, or with respect to any other matter arising in connection with this Agreement, shall not constitute or be deemed a waiver with respect to any subsequent default or other matter arising in connection with this Agreement. Any delay short of the statutory period of limitations in asserting or enforcing any right shall not constitute or be deemed a waiver.

Article XXIX – Survivability

The invalidity or unenforceability of any provisions of this Agreement shall be construed in all respects as if such invalid or unenforceable provisions were omitted.

Article XXX – Notices

Any notice, demand, information, report or item otherwise required, authorized or provided for in this Agreement shall be conveyed and facilitated by the Shoreline Emergency Management Council, care of the City Manager – City of Shoreline. The address is 17544 Midvale Avenue N., Shoreline, WA 98133.
