Subject: FW: 2002 Fire Investigation/Police Services Interlocal Amendments

City Managers/Administrators:

Before leaving for his new assignment, Bruce Kalin asked me to ensure that the arson amendment becomes part of each city's ILA with us. John Gerberding of the Prosecutor's Office has advised me to add signature lines to the amendment document for Executive Sims, the city manager, and attorneys (approved as to form), and request that each city provide us with signed copies of that document. The amendment ratification that was signed by 7 of the 13 managers is necessary, but insufficient to make the amendment part of the ILA.

The attached document is identical to the one sent to you by Caroline Whalen and Lori Fleming on December 6, 2001, except that I have added signature lines.

Please print four copies of this document, sign them (you and the city attorney), and return them to me as soon as possible. Upon receipt, I will have our Legal Unit obtain the necessary signatures from the County.

Thank you for your attention and consideration of this request. If you have any questions, please contact me or Captain Debbie Huntsinger (296-4183).
