7. To City Council – I watched the video of the August 5 Council meeting, specifically the section about Shoreline Place. I support Mayor Hall’s requests for revisions and greater clarification that key points be included in the Development Agreement. Specifically:
  - language confirming the buildings along 160th will remain at 65’ height (per concept) and not will never be increased to the 80’ height of other buildings;
  - if Merlone-Geier or successor developer buys more land they will be required to go through process again and not “fall under same agreement” (“strike Item 34 entirely”);
  - no reduction in proposed retail/or if reduction of more than 10%, this must become an amendment;
  - parking stall width changed to 8’ wide (instead of 7-1/2’);
  - language confirming access to Central Market will be preserved;

Sincerely,  
Kathleen Russell  
Shoreline Resident

Thank you,
