Hello,

I have previously gone on record of supporting the proposed rezone. I do think Irons Brothers Construction is a very reputable business that tries to minimize harmful impacts on the neighborhood. However, after talking with neighbors living next to the properties, I have come to realize that the vehicle parking and activity at the newly purchased property at 1517 NE 170th Street is just not appropriate for a residential neighborhood. Therefore I am now opposed to the rezone. I would still be in favor of retaining the office at 1510 NE 170th Street.

Sincerely,
