Dear City Council,

I am sending you this email to protest against the proposed rezoning of 1517 and 1510 NE 170th St.

My family and I are opposed to changing the nature of our street from a friendly residential street to a business street. This will have a major impact on our street including environmental and social. As there are many locations for businesses on 15th Avenue NE, we really don't see why there should be any re-zoning of this residential parcels, especially given the long history of zoning violation at these locations.

I am looking forward to hearing your response,

Best regards,
