Dear Planning Commission members:

I am writing to support the Irons Brothers application for an amendment of the Comprehensive Plan 1 or 3. I am a Shoreline resident who lives near the Irons Brothers' offices. Irons Brother Irons Brothers have been an integral part of the Shoreline Community for many years. I have worked with them on 2 remodeling projects and have found them to have a high degree of integrity and skill. They work hard to reach out to their customers and to the community at large. What with the explosion of mega development projects in Shoreline within the last few years, we need old-time reliable small businesses to keep Shoreline intact as a community. The Irons Brothers company is an excellent example of how a small business can be a point of connection between various parts of the city. Please vote yes to their application for an amendment to the Comprehensive Plan. Thank You .
