CAUTION: This email originated from outside of the City of Shoreline. Do not click links or open attachments unless you recognize the sender and know the content is safe.

My husband and I are neighboring resident of the proposed rezone of the Irons Brothers properties that have been illegally running their business for over 10 years in their current residentially zoned location, we and over 200 of our fellow North City residents appreciate the staff report and previous sentiments expressed by the Commissioners to not approve these amendments. Please do not move forward with this amendment.

Thank you and let's keep Shoreline neighborhoods RESIDENTIAL!
