To whom it may concern,

I'm writing this email as a concerned citizen of shoreline. I have lived at my residence for 18 years & am blessed that 14 of those years Joseph & Melissa Irons have been my landlord. They are amazing people who make Shoreline a better place. From helping people in need during a cold winter to the rampathon they do every year the lists goes on & on. It's upsetting that with everything they do for the community that they have to be put through all of this. They have always been considerate of neighbors & have always had an open & welcoming door for anyone who has concerns with regards to their business. I was shocked to know that some of neighbors are trying to go against Joseph & Melissa who have worked so hard for the business they have built. I cannot say it enough that Joseph & Melissa Irons as well as their company are a blessing to the city of Shoreline. They make this City a better & safer place. I love that I can walk down my street & feel safe & it's all because of them.

Thank you,
Jamie Harber
