CAUTION: This email originated from outside of the City of Shoreline. Do not click links or open attachments unless you recognize the sender and know the content is safe.

As a neighboring resident of the proposed rezone of the Irons Brothers properties that have been illegally running their business for over 10 years in their current residentially zoned location, I and over 200 other residents appreciate the staff report and previous sentiments expressed by the Commissioners to not approve these amendments. Please do not pass move forward with this amendment.
