I have previously sent to the Planning Commission a lengthy letter in support of the amendment to the Comprehensive Plan. I am attaching a one-page form from my husband and myself in continuing support of Irons Brother's request. Irons is a small business that has "grown up" in Shoreline and many of its employees live in its and surrounding local communities.

I know that IBC contributes to Shoreline through its business and volunteer activities. Please pass this amendment to retain this valuable member of your city.

Comments: We strongly support local businesses and looked for one (this one, Irons Brothers) when we wished to remodel. My observation was that Irons was careful to respect neighborhood rights. We also knew that many of the Irons employees live in local communities. Please do not let this outstanding company "escape" from Shoreline!!
