Hello-

I wanted to send a quick note to express my continued opposition to this rezone, as a neighbor down the street on 170th. As actual neighbors in the area, my family does not want a permanent rezone creeping into our residential street. We would like to keep good businesses in shoreline but they should follow zoning rules and find proper locations to operate their businesses. If shoreline does not have enough business-zoned property then that should be addressed in an overall plan for the city.

Thank you,
