III. Making our Neighborhoods More Welcoming and Relevant to Youth

7:05 – 8:55 pm

How can we make our neighborhood meetings more welcoming and our events more inclusive? And how do we reach out to youth?

- Angela Elliott, Recreation Specialist and participants from the City's YOLO (Youth Outreach Leadership and Opportunities) Program lead a session on effective outreach to youth.
- Waldo Nambo-Ojeda, Recreation Specialist with Parks, shares experience and wisdom from his years of working with youth.
- Amanda Zollner, Recreation Supervisor who works with youth through the City's Parks programs, will show us how to evaluate our programs through the lenses of engagement, interaction, and creation of a supportive and safe environment.

Although the focus throughout the evening will be on youth, this training has broader implications about creating opportunities for all residents to engage with their neighborhoods.
