7. Thank you very much for deciding to move forward with the purchase of the property on Midvale Avenue - the proposed site of the community and aquatic center. I applaud your bold commitment and will fully support the steps necessary to fulfill our dream of having a multi-generational facility in the heart of our town center.

Many of us stand ready to return to Shoreline voters and once again ask for their support to finance the much needed new pool and community center.

Best, Robin McClelland
