7. Hello,

I have recently been disappointed to see several large apartment buildings being constructed in North City which don't have retail space in the main floor. After looking into how this could be, I realized our city has an outdated rule allowing this to happen. I completely disagree with this approach and I'm glad to see that other residents are taking action to get this changed.

I support Amendment 3 to require mixed use in commercial zones in Shoreline, particularly North City.

Thank you,
Allie

Thank you,
City of Shoreline
