7. As a long-time Shoreline resident and voter, I strongly support Amendment 3 to the 2020 Comprehensive Plan, and I urge you to do the same. This amendment requires commercial use in commercial zones. I am SO tired of leaving Shoreline to spend my money when I want to go shopping, or out to eat, etc. Keep local dollars local, support a plan that supports local business, creates community gathering places, and encourages walking. Shoreline is growing and NOW is the time to shape what we become. When we voted on new zoning, we were told we'd have local business, places to walk to. Without Amendment 3, that was false and misleading. Please support this change.
Thanks for your consideration.
