6. Amendment #3
7. I was born and raised in Shoreline (Shorecrest high school 1991 grad) moved to Seattle for 15 years and now a homeowner in Shoreline. I am vested in thos community and I strongly support any amendments that promote local business, restaurants and retail as a part of a vibrant community plan. Commercial zoning should encourage uses other than residential.  
Shoreline is one small step from being the perfect community but we need more local small business activation and that starts with our city officials.  
  
Thank you for your consideration,  
Bryan and Tania Berg
