6. Amendment 3
7. Shoreline is wasting a fantastic opportunity to be more than just a residential neighborhood attached to Seattle. Residents of Shoreline want business development that supports the creation of small businesses. We want diverse opportunities to shop, be social, and access services in our neighborhoods. Places that are in walking distance and easily accessible. Bothell USA good example of how this is done right. Simply developing new, high capacity housing is short sighted.
8. (o) Support

Thank you,
City of Shoreline
