6. Amendment 3
7. It is past time to dissolve the short-sighted policy of reckless zoning in Shoreline. The policy of allowing zoning to include fully residential in commercial zones is already wrecking Shoreline. Traditionally mixed use or urban village areas are being destroyed by this terrible policy. Thousands and thousands of people are moving into Shoreline and there will be nowhere for them to go. Please support and pass amendment 3 to end this destructive, short-sighted policy.

Thank you,
City of Shoreline
