7. I have lived in Shoreline for more than 30 years and am very concerned about the Council inability to stop the take over by apartments in North City. It is beginning to look like Ballard and that is not something to aspire to nor be proud of. We need commercial property to stay that way and not sell out. I live off of 185th and am seeing my neighborhood desecrated by the changes with all the tear downs and building townhomes. In the last 1 1/2 years it is totally different. Please stop taking our neighborhoods and looking only for profit. Having a good place to live is important too.
Thank you. Kathleen
