Dear Shoreline City Council,

Dear City Councilmembers,

During an extraordinary pandemic, we must take extraordinary action to protect our community's health and welfare to weather this difficult time.

We're calling on you to enact a moratorium on evictions to prevent renters from being forced to attend court, where they could be exposed or expose others in the community, to COVID-19, and we also want a moratorium on physical evictions to prevent people from being forced into homelessness at a time where the governor is pleading with the public to stay home.

Your actions to prevent evictions will save lives. Enact this moratorium as soon as possible to help people stay home.

In community,

Sincerely,

Kim Snow
