6. Save Shoreline's 'Forest'
7. Good evening, and thank you.
I appreciate this opportunity to let you know how strongly I support the Council in its efforts to save the true beauty of the City of Shoreline. Our 'forest' is what I believe to be the greatest component of our city. Years ago, when Shoreline was way out North, in the woods, I first was able to enjoy this wonder. When we finally moved to town, I was especially drawn by the majesty of the 11 great Firs that are growing in my front yard. My lot is normal sized, yet the 'old growth' keeps me in the magnificence that can be Shoreline.
Please don't allow this beautiful area to become just another development, a party to poorly checked desolation.

Thank you for your time,
Craig Savage
