City Council,

I am writing to urge you to pass an eviction moratorium in Shoreline.

I am self-employed and have many bills that I am not going to be able to pay for the next two months in my office to keep it open. If I get evicted because I have no income, I will be homeless as well.

Thousands of people in our community have suddenly lost their incomes due to the coronavirus crisis. We cannot allow people to lose their homes too — especially not now.

I urge you to pass an emergency eviction moratorium in Shoreline, including a ban on filing evictions throughout the crisis.

Thank you for your consideration — I look forward to hearing you have taken action on this issue & taken other steps to address the immediate impacts of this crisis on our community.
