7. Hello
I work at a Safeway in Shoreline and I am asking you to please suspend the nickel per bag grocery tax until COVID-19 emergency goes away. With restaurants and bars closed, grocery stores will be places for larger groups to congregate, putting grocery employees at relatively great risk. Allowing cashiers to deploy unused paper bags rather than loading bags brought in by the public will greatly lower the risk of contamination to front-line workers. Better for every citizen.
Thanks for your consideration.
