A Letter from Mayor Will Hall

Dear Shoreline residents and business owners,

Coronavirus... Pandemic... Social distancing... Seemingly overnight, words and phrases we've never used or even thought much about have become the subject of our daily conversations. The world we knew just a few short weeks ago has changed dramatically. Some in our community have experienced the heartbreaking loss of a loved one to the virus. Others have lost their jobs and businesses. In dire times such as these we can sometimes lose hope. But as I talk to people, I am heartened to hear other more vital words being spoken in our community, such as caring, compassion, helping each other, and standing together.

Despite all the disruption and bad news we see, I remain optimistic about the future. In the early days of the pandemic, as businesses and institutions, including City Hall, were closing all around us, I and other members of the City Council called community leaders—block watch captains, neighborhood council representatives, business leaders, community service workers, and more—to see how things were going and what the City of Shoreline could do to help.

Time after time, we got the same answer—all across Shoreline, neighbors were already working hard to help and support each other. They are sharing food, helping to buy supplies, supporting medical needs, and just asking each other, "Is everything OK?" In some ways, it comes as no surprise. The people of this community incorporated Shoreline 25 years ago because they wanted to come together as a City to better care for each other. It has been heartening to hear the stories of how our community has banded together to face this crisis.

On behalf of City Council and staff of the City of Shoreline, I wanted to present this special "emergency edition" of Currents. Under normal circumstances, Currents tells our community about City business, projects and events, publishing ten editions every year. But now, as we "Stay Home, Stay Safe" and work together to bring an end to this health crisis, we wanted to provide a useful resource guide—both in print and online—that can be used by every member of the community to find the most reliable resources for getting through this challenging time.

We are all in this together. If there is a gift in the middle of these difficult challenges, it is the reminder of our common humanity. For those of you who have experienced loss during this time, please accept my profound sympathies. It is my deepest hope that we can all work together to get every person in Shoreline the resources they need to make it through these difficult times and to come out of it an even stronger community.

Stay home, stay safe, save lives!

Yours,

Will Hall, Mayor

City Transportation Projects

UNDER THE GOVERNOR'S Stay Home, Stay Healthy order, construction to further a public purpose related to a public entity or governmental function or facility may continue. Both the Westminster Way N and N 155th Street intersection project and the 15th Avenue overlay project are important transportation projects in Shoreline and their construction schedules are weather dependent. Both projects are at critical stages in their construction schedules. Delaying work now could set both projects back significantly. Contractors are required to develop COVID-19 response plans to ensure appropriate health and worker protection measures are in place.

Westminster Way N and N 155th Street Intersection

The City began construction of the Westminster Way N and N 155th Street Intersection Improvements Project in February. The project will reconstruct the intersection of Westminster Way N and N 155th Street, adding a new traffic signal, new lane configuration, new pedestrian facilities, and utility improvements. Improvements are required to provide a safer intersection for all users and to support redevelopment of the Shoreline Place Community Renewal Area (CRA) and adjacent properties. We expect an increased number of pedestrians and bicyclists in this area and the improved intersection will help everyone move through safely. The improved intersection will also enhance the flow of traffic and support projected traffic volumes.

Access to nearby businesses will be maintained throughout construction. We anticipate completing construction in the early fall of this year.

Funding for this project comes from a combination of revenues including developer contributions from the nearby multi-family "Alexan" development and a grant from the Washington State Transportation Improvement Board.

15th Avenue NE Paving project

As part of the City's Annual Road Service Maintenance Program, this project will improve the road surface along 15th Avenue NE between NE 155th Street and NE 160th Street. The existing asphalt roadway will be milled down and resurfaced with asphalt overlay. In addition to work in the roadway, we will make sidewalk repairs, curb ramp upgrades, and install pedestrian push buttons at crosswalks. Work began in April and is scheduled to be completed in August.

Funding for this project comes from the City's vehicle license fee and a federal grant for street preservation. If found to be constitutional, I-976 eliminates the City's vehicle license fee, impacting the City's ability to fund future street maintenance projects such as this.

Shoreline Farmers Market

THE SHORELINE Farmers Market is looking forward to opening day of their 9th season on Saturday, June 6. They are working alongside the Washington Department of Health and the City of Shoreline to create a safe and healthy market for you. The market will look a little different this season to promote safety, but will continue to focus on supporting Washington farmers and providing space for the Shoreline community to support local agriculture. Visit the market website at ShorelineFarmersMarket.org to stay up to date on market news and find ways to support vendors during this difficult time.

COVID-19 RESOURCE GUIDE

In this time of uncertainty, it is important to find the support you need to take care of yourself and your family. This resource guide contains some information to help you locate services that may be available to you. Because this is an evolving crisis, program details are often changing. Check with individual organizations for the most up-to-date information. You can also visit our COVID-19 website at shorelinewa.gov/covid.

Housing

Rent/mortgage Assistance

If you are not able to afford your rent or mortgage, contact your landlord or lender immediately. Many lenders are deferring payments.

Hopelink offers one month of financial/rent assistance to income eligible households.

More info: Call Hopelink at 206-440-7300 to apply.

Eviction moratorium

Governor Inslee issued a statewide moratorium on evictions of residential tenants for non-payment until June 4. If your landlord tries to or threatens to evict you during the Governor's moratorium, contact the Attorney General's office and file a complaint at atg.wa.gov/file-complaint.

If you are in immediate risk of losing your housing or currently experiencing homelessness, call 2-1-1 or 1-800-621-4636.

Unemployment and Paid Leave

Unemployment

Anyone who has lost their job due to COVID-19 is likely eligible for unemployment, even if you are self-employed or have not worked the normally required 680 hours. Also, the one week waiting period for unemployment benefits is being waived. In addition, the federal Coronavirus Stimulus package has added \$600 to each weekly unemployment payment through July 31.

More info and apply for unemployment:
esd.wa.gov or 800-318-6022

Paid Sick Leave and Workers' Compensation

If you need to miss work due to illness or to take care of a family member who is ill, or if your job brought you into direct contact with someone with coronavirus and you have become ill or are required to quarantine, you may be eligible for paid sick leave or Workers' Compensation.

More info: Lni.wa.gov or 360-902-5800

Health Insurance

Free or low-cost Apple Health is available year-round and special enrollment is available to those who have life changes as a result of COVID-19.

More info: wahealthplanfinder.org or 1-800-562-3022

Utilities

Governor Inslee has prohibited utilities from disconnecting any residential water, energy, or landline phone customers due to nonpayment through May 4. Utilities are prohibited from charging late fees and cannot refuse to reconnect residential customers that were disconnected due to nonpayment. Most utilities will work with customers to set up deferred payment plans. To find out more, contact your utility providers:

GUÍA DE RECURSOS SOBRE LA COVID-19

Es estos momentos de incertidumbre, es importante encontrar el apoyo que necesita para cuidar de usted y su familia. Esta guía de recursos contiene información para ayudarlo a ubicar servicios que puedan estar disponibles para usted. Debido a que se trata de una crisis que evoluciona, a menudo, los detalles del programa cambian. Verifique con las organizaciones individuales para obtener la información más actualizada. También puede visitar nuestro sitio web sobre la COVID-19 en shorelinewa.gov/covid.

Vivienda

Asistencia para hipotecas/alquiler

Si no puede pagar el alquiler o la hipoteca, comuníquese de inmediato con el propietario o prestamista. Muchos prestamistas están concediendo prórrogas para los pagos.

Hopelink ofrece un mes de asistencia financiera/para alquileres a personas con ingresos elegibles.

Para obtener más información y presentar la solicitud, llame a Hopelink al 206-440-7300.

Moratoria de desalojo

El gobernador Inslee emitió una moratoria a nivel estatal de desalojo de inquilinos residenciales por incumplimiento de pago hasta el 4 de junio. Si el propietario intenta desalojarlo, o amenaza con hacerlo, durante la moratoria del gobernador, comuníquese con la oficina del Procurador General y presente un reclamo en atg.wa.gov/file-complaint.

Si corre un riesgo inmediato de perder su hogar o actualmente se encuentra sin hogar, llame al 2-1-1 o al 1-800-621-4636.

Desempleo y licencia con goce de sueldo

Desempleo

Es probable que, si se ha quedado sin trabajo debido a la COVID-19, sea elegible por ser desempleado, incluso si es un trabajador autónomo o no ha trabajado las 680 horas que normalmente se requiere. Además, no aplica el período de espera de una semana para los beneficios de desempleo. Asimismo, el paquete federal de incentivos por el coronavirus sumó \$600 a cada pago semanal por desempleo hasta el 31 de julio.

Para obtener más información sobre cómo presentar una solicitud de desempleo, visite esd.wa.gov or o llame al 800-318-6022.

Licencia por enfermedad con goce de sueldo y compensación laboral

Si necesita faltar al trabajo debido a una enfermedad o para cuidar a un familiar que esté enfermo, o si por el trabajo estuvo en contacto directo con alguien con coronavirus y se ha enfermado o debe mantenerse en cuarentena, puede ser elegible para la licencia por enfermedad con goce de sueldo o una compensación laboral.

Más información: lni.wa.gov, 360-902-5800.

Seguro médico

Apple Health está disponible gratis o a un precio bajo todo el año y, para las personas que tienen cambios en la vida como resultado de la COVID-19, está disponible una inscripción especial.

Más información: wahealthplanfinder.org, 1-800-562-3022

Empresas de servicios públicos

El gobernador Inslee prohibió que las empresas de servicios públicos corten el servicio a clientes residenciales de agua, luz o de telefonía fija por incumplimiento de pago hasta el 4 de mayo. Las empresas de servicios públicos tienen prohibido cobrar cargos por mora y no pueden negarse a volver a conectar el servicio a los clientes residenciales a los que se les cortó el servicio por incumplimiento de pago. La mayoría de las empresas de servicios públicos intentará armar planes de pago diferido junto con los clientes. Para obtener más información, comuníquese con los proveedores de servicios públicos:
