No, I did not mean to delay the late penalty fee.

The language looks good.

Chris-

The City Attorney's Office believes that this language would meet your intent – do you have any concerns? Was your intent also to delay the late penalty fee until 2023?

I move to amend Section 4(C) of Ordinance No. 889 to decrease the monetary penalty for a parking infraction set for in SMC 10.05.035 to \$40.00 effective 12:01 am Jan 1, 2021 until Dec 31, 2022, and, then to establish a new monetary penalty of \$50.00 effective 12:01 am January 1, 2023.

Subject: Amendment for tonight

Debbie,

After thinking about parking fines, I would like this amendment considered.

I move to amend the monetary penalty for a parking infraction in Section B of Exhibit A to Ordinance No. 889 from the amount of fifty dollars (\$50.00) to the amount of forty dollars (\$40) and adding a new section C:

SECTION C – Effective at 12:01 am Local Time, January 1, 2023

SMC 10.05.035 Penalties is amended as follows:

SMC 10.05.035 Penalties

Except for parking infractions under RCW 46.19.050, any person found to be in violation of any provision of this chapter shall be deemed to have committed a parking infraction and for each such violation shall be subject to a monetary penalty in the amount of fifty dollars (\$50.00).

Any person having been assessed a monetary penalty under this chapter shall pay that penalty in the time provided on the infraction citation/ticket or seek a hearing contesting the infraction. If the penalty is not paid in the time afforded, a twenty-five dollar (\$25.00) delinquency penalty shall be assessed.

Thank you,

Chris
