6. Reform for safer policing
7. Dear Councilmembers,

While not on the agenda, I strongly recommend to the council as a concerned citizen that this topic be openly addressed. I'd like to request the council comment on adoption of the following police reforms for Shoreline:

- Ban chokeholds and strangleholds
- Require de-escalation
- Require warning before shooting
- Requirement to exhaust all alternatives before shooting
- Duty to intervene when excessive force is used by other officers
- Ban shooting at moving vehicles
- Require use of force continuum so only most severe situation warrant severe force
- Require comprehensive reporting of use of force and threat of force

Thank you,
Andrew Morgan
