6. Property Aquisition Expanding Paramount Park Open Space
7. As a longtime neighbor, watchdog of Paramount Park and founding member of Shoreline Preservation Society, I strongly approve of the proposal to purchase the two properties bordering the park to expand Open Space. My neighbors and I were the ones who originally nominated the adjacent property for expansion of Paramount Park with the 1989 Open Space Bond.

I look forward to hearing how we can plan to integrate these properties into the existing park. And we suggest that it would be best to eventually end usage of that section of Tenth NE to prevent intrusions by unwanted vehicles. I am also interested in the possible upgrade and replacement of the culvert for Littles Creek which runs there under Tenth NE.

We request to be notified as parties of record on all official actions regarding this project.

Thank you.
