7. Regarding Study Item 9. (a) Update on City Council Goal #5, Action Step #7 - Siting a Shelter/Navigation Center in North King County to Serve Homeless Single Adults. We would like to see the City take action on a permanent Shelter/Navigation Center in Shoreline.  
  
Our church has participated with some other churches in sheltering the homeless for a one-month period. We're not sure if we will be able to do that this coming fall/winter. It would be wonderful to have a shelter that is not dependent on what church or other organization could house folks in need.

Thank you,
