6. Proposed Homeless Shelter
7. I am in full support of the idea to site a homeless shelter at 167th and Aurora N. Treating the most vulnerable among us with dignity is essential. Unless and until society as a whole provides support and resources to prevent the cascade or circumstances that result in homelessness, such facilities will be necessary.  
  
Shoreline is a city of compassionate and inclusive people. You will find overwhelming support for this and any other initiative that provides essential services and builds equity.

Thank you,  
City of Shoreline
