6. homeless shelter housing
7. This is idiotic. We are running on no money. If you want to provide housing why not to women and children. This would be an excellent site. It has a dining room, showers and plenty of places kids can run. It has offices to provide access to a nurse, social worker and other staff. It has room outside certainly for a playground. There is a lack of housing. Why adults with severe issues.

Thank you,  
City of Shoreline
