7. I live one half-mile from the possible site for the North King County emergency homeless shelter and I wanted to express my strong support and excitement for opening a shelter in Shoreline. I firmly believe that not only does every person inherently deserve stable housing, but the provision of such is closely linked to reduced drug abuse, criminal activity, and untreated mental illness. Although people experiencing homelessness tend to go overlooked and underserved by those of us lucky enough to have a safe place to live, I urge the Council to move forward with plans to help these folks. Thank you for everything you're doing to keep Shoreline such a welcoming place to live!

Thank you,
