6. 9(a) Siting a 24/7 Shelter in Shoreline
7. I strongly support the siting of a 24/7 shelter/navigation center at 16357 Aurora Ave. N. I am glad that the Shoreline City Council adopted Council Goal 5/Action Step 7 to work with other area cities and stakeholders on siting a shelter to support unhoused adults in North King County. The availability of the nursing home property at 16357 Aurora Ave. N. is a great opportunity to make progress on this goal. Moreover, this location is accessible to those traveling without cars, and is near to other necessary services. Our vulnerable community members need access to shelter and resources. Let's take this opportunity to be a part of providing for them.

Thank you,
