6. enhanced homeless shelter
7. I unequivocally support the City Council's approval of the enhanced homeless shelter on Aurora. All our lives are safer and better off when the un-housed in our midst get adequate shelter. All of us benefit when basic human needs are met in our own neighborhoods. Far less crime occurs, not more. We all stay healthier when the neediest ones stay healthy.  
  
The proposed facility will be managed with well-resourced and experienced personnel. It is a win-win program for both those needing a home and for in-home neighbors as well.  
  
Please support and approve this important facility's establishment ASAP.  
  
Sincerely,  
Rev. Daniel Stern
