7. I am in support of the enhanced shelter on Aurora near NE 163rd Street. More than ever we need to support people who need shelter and housing and other wraparound services. I also hope people who live in Shoreline, especially in the vicinity of the enhanced shelter use this opportunity to get involved in homeless advocacy and support as a volunteer. I am a volunteer with two homeless shelters, including one in Shoreline. The need is great, and the former nursing home facility is a good fit.
