6. Enhanced Shelter
7. I am writing to express my support for the siting of a 24/7 Enhanced Shelter at the former Oaks Nursing Home. This is an excellent opportunity for the city and county to repurpose the facility to meet the needs of our community. The proposed location provides easy access to a bevy of support services for our unsheltered community members. Given the growth of mixed-income housing in this neighborhood, shelter residents should hopefully be able to experience long-term stability in our community. Some of my neighbors are concerned about the proximity to schools. As a teacher, I think this could be a wonderful opportunity for students to engage in meaningful community service projects to build empathy and enhance their civic engagement. Unsheltered people, especially those experiencing mental health challenges, are far more likely to be victims of crimes than perpetrators. We are stronger, safer, better when we care for the most vulnerable among us. Thank you for making Shoreline a great community for all of our citizens.
