6. Enhanced Shelter
7. Greetings,

I am an employee of a 24 hour organization that refers unhoused individuals to shelters in King County. In hearing of the potential for an enhanced shelter in north King County, I was elated. There is a pervasive need of additional support for homeless individuals, while there are next to no shelter facilities north of downtown Seattle. I urge the City Council to support establishing this enhanced shelter, as it would provide invaluable relief to countless people and families in our underserved community.

Thank you,
City of Shoreline
